Pension Agent Leslie Combs's force at the Pension Office in Louisville has at this quarterly payment broken the record for payments. The largest number of checks paid on any one day in the office had been 4,500. On Thursday last 4,848 checks were mailed, and on Friday the number was 5,012. The payment will be finished three or four days sooner than usual. The great rapidity of payment is partly due to the new rule observed by Agent Combs, that no city cases be made "special," but that all vouchers be paid in the order of their receipt at the office.

CAPTURED AN OWL.

Mr. W. J. Hill Catches Unusual Game While Hunting in Fleming.

Mr. W. J. Hill of the Sixth Ward, while in Fleming county hunting last week, witnessed a thrilling sight and was the beneficiary thereby.

He had shot a squirrel which got in a hole of an old tree.

Reaching in to gain his game he found a great horned owl.

Out it flew, reached a limb, and when made to fly fell to the ground where a battle royal took place, the dogs making a Dewey attack. Reputed in Monticello fashion, they would have given Mr. Hill a Spanish annihilation but Mr. Hill was the Hobson to block the way.

He saved the beautiful specimen which measured six feet from tip to tip. It is of the "Horn" family and can therefore blow of its aud history as well as be proud of the fact that it took a "Hill" to take it.

When you ask for DeWitt's Witch Hazel Salve don't accept a counterfeit or imitation. There are more cases of Piles being cured by this than all others combined. Henry W. Ray, adjoining Postoffice.

DWINDLING DOWN.

The Democrats Have Fewer in the Senate Than For Twenty-six Years.

The New York World calls attention to the fact that of the ninety Senators on March 4th next only twenty-six will be Democrats—four less than one-third.

In the elections of 1872 the Democrats got only twenty Senators. But that was twenty out of a Senate of seventy-four members. In the elections of 1874 this representation was raised to twenty-nine. And since then the Democrats have always had just a few less or just a few more than the Republicans.

Twenty-two of these twenty-six Senators will be from eleven Southern states. One will be a hold-over from Delaware, which now has a Republican Legislature. One will be a Sound Money hold-over from Kentucky. The two remaining will be from Utah, which has only three Electoral votes. There will be no Democratic Senator from the North or Northwest or the Pacific slope. There will be no Democratic Senator from Maryland, West Virginia or North Carolina.

In all the Democratic Senators will represent 129 Electoral votes—much less than one-third of the total Electoral vote.

COAL!

LIMESTONE MILL.

NUGGETS OF ECONOMY

Are easy to find in our Coal Department. We believe the same qualities, combining fit, finish and material, cannot be found elsewhere in this city for the same price. This week we have ready for selling 25 Reefers for children of 4 to 12 years. To be sure the \$3.75 we charge is no sort of recompense for the garments we give, but that's where the bargain comes in. They're made of Scotch Cheviots, different color mixes prettily trimmed in various styles.

THEN CAPES.

* We shall briefly mention a lot more to show you. Thirty-inch Kersey Capes, high storm collar, silk lined, \$5; 26 inch Plush Cape, broadened and braided, silk lined, \$5; 28 inch Boucle Capes, silk faced, \$5. You'll glory in the ownership of one of our Feather Boas or Fur Collarettes. Make welcome Christmas gifts. Either gives the finishing touch to a stylish costume. Year by year more of the fur selling centers here, because we sell fur best and cheapest.

DRESS GOODS.

You've bought such quantities from us the past six weeks we are ashamed to ask you to buy more. But if you still have dress goods needs there is a wealth of material for selection here. English Broadcloth—everybody knows its texture and weave. British dames and damsels wear it in their natty tailor suits; why shouldn't you? Several colors, 54 inches wide, \$1. A wardrobe is incomplete without a sturdy blue dress, storm serge, cheviot or kindred fabric that never pale at stormy weather. Every best kind is here, 35c. to \$1.25. Some of the prettiest and most popular fabrics of the season are in the 48c. lot. Plain and fancy suitings both; choicest styles will not last much longer. A new gown will brighten any woman's Christmas.

D. HUNT & SON.

THE BEE HIVE! Novelty Dress Goods Bargains

In this particular portion of our great Dress Goods stock we have made especially strong efforts and succeeded in collecting the choicest and cheapest line of "novelties" ever seen in this vicinity. You'll find 'em in two lots, 29c. and 59c. a yard. There is not a yard of the fifty odd bolts that is not worth one half again as much as the price we're asking. Take a glance at our window display, inspect and be convinced.

20 Per Cent. Discount on Silk Petticoats.

Of all of our large stock of those choice Silk Petticoats you've so often admired there remains just one solitary dozen. We'll hurry the sale of these by giving you a discount of 20 per cent. on prices that are already extremely low. They vary in prices from \$4.95 to \$14.50. If you want one you had best call at once.

Notice to Bible Readers.

Do you read the Bible? Of course you do. Well, we want your attention. In our newly-opened Book Department you'll find a Bible containing both Old and New Testaments, sixteen different illustrations, a complete concordance, two hundred and forty five pages of Bible Helps, which includes treatises on the great and minor Prophets, the natural history, geography and topography of the Holy Land, etc., and furthermore a Bible atlas of fourteen distinct and highly tinted maps. This Bible is printed in clear type on good quality paper and bound in soft Morocco. The publisher's price is \$1.75; our price as long as they last 98c.
